Banana and Apple  
were best friends  
who loved  
to do fun things.  
They decided  
to try Bowling.

**The first game**

**Apple knocked down  
most pins every frame.**

**Banana did not. He rolled  
only gutter balls.**

**Banana was sad and  
ready to quit when**

**Apple said, "You can do it B! Don't  
give up. Aim at the middle pin."**

**Apple said,**

**"You can do it B!"**

**Apple said,**

Banana tried again. The first ball rolled close to the gutter but hit a corner pin that knocked down three more! He was pumped!

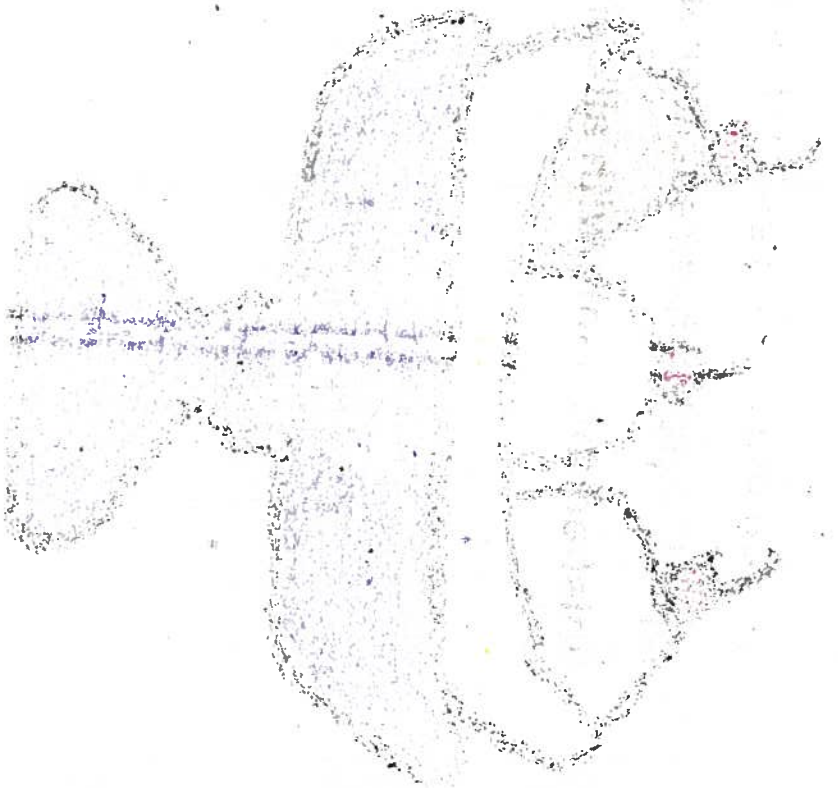

**His second ball went right  
down the middle! When it hit,  
all the pins went flying!**

"B, you did it! You got a Banana Split!" Apple cheered. Banana finished the game with all splits!

~~Banana 10/18/10/17/17~~

Banana was so happy that he didn't give up, but even more excited about his new nickname, Banana Split.

**People heard of Banana's  
story and made a yummy ice  
cream treat in his honor.  
Perhaps you have tried it!**
